Feb. 9 '04	M&C	MCPS property on Stonestreet	CPDS/ J. Wasilak	As of 6/24/05, MCPS is considering abandoning the project in light of the City allowing no text amendments during the comprehensive Zoning Ordinance revision.	June 27 '05	
Feb. 9 '04	M&C	Fleet Street - Montgomery County surplus property	CPDS/ J. Wasilak	The County selected EYA as the developer for the project. EYA has started meeting with nearby community associations. The Historic District Commission discussed the structures on the property on 6/16/05 and 7/21/05. The Commission determined that the properties on Maryland Ave and Fleet St meet the criteria for historic designation. Next staff will prepare the Historic District Map Amendment for the Mayor and Council's authorization to file in Sept.	Aug 23 '05	
Feb. 17 '04	M&C	Status of planning area north of Beall Town Center Phase II	CPDS/ A. Chambers	CPDS needs Planning Commission and Mayor & Council approval to amend the Town Center Master Plan to move forward on Phase II. Staff will prepare a report for Planning Commission consideration and expects Mayor and Council consideration of Town Center Phase II to take place in the fall of 2005.	July 25 '05	
Jul. 26 '04	I.G	Provide updates on the status of the Shady Grove Sector Plan	CPDS/ J. Wasilak	The PHED Committee discussed the Sector Plan on 6/13/05. The Committee requested additional information from M-NCPPC and will resume work on the plan on 9/7/05. The Committee will not make a recommendation to the full Council on the plan until the fall.	June 25 '05	
Aug. 2 '04	JH	Develop a plan to remove stray shopping carts from the community	Police/CMO L. Moran	City staff, County staff, Councilmember Hall and a City resident met on 6/29/05 to discuss this issue further. A list of potential next steps was developed to review with the Chamber of Commerce.	July 5 '05	
Aug. 2 '04	I.G	Provide periodic updates on the status of the refuse study	DPW/ S. Straus	Staff is working on service options and an implementation plan for Mayor and Council consideration, including a pilot program to potentially conduct in the spring of '06. A worksession is planned for November 2005 to share recommendations with the Mayor & Council on the pilot program implementation.	July 5 '05	
Sept. 13 '04	I.G	Provide periodic updates on the status of the MOU between the City and the County re: impact taxes	DPW/ L. Marcus	City and County staff are working together to draft an MOU for County Council approval. City staff reviewed versions of the MOU and shared comments with the County on 5/2/05 and 6/21/05. Following a meeting on 7/22/05, County staff shared a new version of the memo with the City and County Attorney Offices for a final review. Staff expects the MOU to be completed by Sept. 10. Nov. 1 '04	SH	Look into placing a countdown crosswalk signal at MD 28 and Great Falls Rd.	DPW/ E. Elshafei	SHA's District 3 office approved the concept of installing countdown signals at 5 state-owned intersections on MD 28 and sent a design request to the SHA Office of Traffic and Safety (OTS) on 3/11/05. On 7/21/05, OTS requested modified plans before they provide final approval. The City will provide the modified plans in August and we hope to install the countdown signals in September or October. The project is complicated by SHA's request that the City replace the wires to the signals. Staff is investigating the specific impact of that request.	July 25 '05	
Nov. 1 '04	I.G	Report to the M&C on the City's strategy to address property maintenance issues at 6007 LeMay	Police/ M. England	The Court ordered abatement of the violations in Feb '05. After several months of effort, the City located the property owner and served the orders on 6/8/05. The orders expired on 7/8/05. A re-inspection on 7/9/05 found that the owner did not make the property improvements ordered. The City Attorney's Office is preparing documentation to proceed with contempt of court charges. City staff also received bids from two contractors to rehabilitate the exterior of the house and is consulting with Montgomery County about the possibility of placing a lien on the property if the City completes the work and the property owner does not reimburse.	July 25 '05	
Dec. 6 '04	I.G	Status of District Court construction	CPDS/ J. Wasilak	The DRC reviewed the project the week of 8/1/05 and determined that the State and City will need to work toward an agreement on the streetscape portion of the plan (e.g., sidewalks, street trees). The DRC discussed the project again on 8/31 and will send a letter to the State describing the DRC's conclusions and issues. The project will go to mandatory referral at the Planning Commission next.	Sept 6 '05	
Dec. 6 '04	M&C	Identify a name for Newmarket street that's associated with Town Center's history	CPDS/ A. Chambers	A memo to the Mayor & Council dated 12/7/04 included a list of considered street names and background information on the former Cairo Street. Staff checked with the County again on street name availability, and presented a recommendation to the Mayor & Council on 6/6/05. The Mayor & Council want to consider additional street names.	June 6 '05	
Jan. 18 '05	M&C	Share a copy of the Twinbrook Metro Area Sector Plan draft	CPDS/ J. Wasilak	M-NCPPC held a meeting to discuss the plan with the community on 8/29/05. Staff will prepare a brief memo for the Mayor & Council describing the meeting. M-NCPPC staff expects to have a draft plan to share publicly after 9/15/05. The Planning Board will discuss the plan on 9/22/05. Another community briefing is scheduled for 9/26/05 from 7 - 9 pm at the Twinbrook Community Center.	Aug 31 '05

Feb. 4 '05	M&C	Follow up on the 12/6/04 worksession with SHIA	DPW/ L. Marcus	A letter went to SHIA on 5/16/05 requesting signage on MD 28 and Gude Dr. to direct cross traffic to Gude Dr. instead of through downtown. The City Manager met with SHIA staff on 7/1/05 to discuss City priorities and concerns. Another Mayor & Council worksession with SHIA is scheduled for 9/19/05.	July 5 '05	
Feb. 28 '05	M&C	Investigate options to make the property tax more progressive	Finance/City Attorney D. Del Pozzo	Staff is researching and analyzing options for Mayor and Council consideration, and expects to share information with the Mayor and Council in September '05.	May 23 '05	
Feb. 28 '05	M&C	Examine modifications to the accessory structure ordinance	CPDS/ D. Mellander	Staff prepared a Zoning Ordinance text amendment to address the size and height of accessory structures in residential zones. The City sent a letter to civic and homeowner associations on 6/6/05 to make them aware of the zoning text amendment. The Planning Commission reviewed it on 6/28/05 and a Mayor and Council public hearing was held on 7/11/05. Staff will make adjustments to the ordinance based on the Mayor and Council's discussion on 7/11/05. It is tentatively scheduled for introduction on 9/26/05.	Aug 31 '05	
Feb. 28 '05	LG	Pursue a Verizon right of way agreement or cable franchise agreement	IT/ D. Breisch	City and Verizon negotiators met to discuss a proposal. Verizon then submitted a new/revised proposal that City staff is currently evaluating and researching. Staff is also awaiting further information from Verizon. Verizon hopes to reach an agreement with City staff in time to bring the proposed agreement to the Mayor and Council in September.	Aug 23 '05	
Mar. 21 '05	SU	Investigate the need for improved signage at schools where safety is a concern due to high volumes of traffic and/or high traffic speeds	DPW/ E. Elshafei	Staff is developing a new initiative to improve pedestrian safety at schools in Rockville. Staff briefed the City Manager on the project on 8/12/05 and is finalizing a list of short-term and long-term improvements to share with the City Manager. Staff will implement as many of the short term pedestrian safety improvements as possible for the start of the 2005-2006 school year, and continue safety improvement efforts into 2006.	Aug 16 '05	
Mar. 21 '05	SH	Explore ways to avoid pooling water at the bio-retention facility at the Twinbrook Rec Center	DPW/ Rec & Parks M. Wilhelm	A contractor completed reconstruction of the facility on 7/1/05. The area is draining now but since a spring is feeding the area it is not draining as fast as we would like. The contractor will do some heavy landscaping with aquatic plants and tall grasses to help absorb the excess water more quickly.	Aug 23 '05

Mar. 28 '05	SU	Track progress on the follow up items from the 1/10/05 worksession with the Historic District Commission	CPDS/ J. Christensen	<p>The following tasks resulted from the worksession with the HDC:</p> <ul style="list-style-type: none"> ▪ Held the Rockville Historic Preservation Conference on 4/16/05. The HDC discussed the conference and next steps. Staff summarized the results of the Conference. The HDC will prepare recommendations resulting from the Conference. The HDC will share with the M&C. ▪ Identify unsurveyed properties eligible for local historic designation ▪ Currently surveying homes in Twinbrook in conjunction with the Twinbrook Neighborhood Plan. In September, the HDC will consider 315 Baltimore Rd as a single site historic district. ▪ Work with ISD to develop a strategy to follow up on HDC work permit approvals and conditions ▪ Prepare a brochure on maintenance, restoration and renovation of older/historic buildings. Staff is getting clarification from the HDC ▪ Prepare a chart of benefits and consequences of designation for each eligible City-owned property. In process. The HDC discussed historic designation for the Pump House. The M&C authorized staff to proceed with processing the designation. A public hearing is tentatively scheduled for 10/10/05 	Aug 3 '05	
April 11 '05	I.G	Encourage the County to make the second Rockville library entrance handicapped accessible	CPDS/ A. Chambers	<p>A letter from the County Executive dated 6/20/05 asked the City to fund any changes to the library that the County determines are needed to make the Beall Ave entrance wheelchair accessible and ADA compliant. Staff is preparing a response letter.</p> <p>The City also received a letter from the Montgomery County Public Libraries and the special needs library advisory group with questions and suggestions for ensuring accessibility in the Town Center area around the library building. Staff met with the special needs group earlier this year and is working with multiple departments to draft a response addressing their most recent questions.</p>	Aug 16 '05	
June 2 '05	SU	Ask WMATA to improve the appearance of the railroad fence along 355 by enhancing the maintenance	CMO/ D. Jenkins	<p>College Gardens residents are concerned about the appearance of the fence and wall by the train tracks. The fence is old and has not been maintained well, and the wall has rust stains. Staff met with WMATA about these issues three years ago, but no changes were made and the neighborhood's concerns remain. Senator Forchard contacted WMATA in June 2005 on behalf of the City regarding the fence. WMATA responded that there are no plans for repairing or modifying the wall or fence. They report that while rusty the fence is still secure and it is not on a priority schedule for replacement. A letter from the City Manager requesting the improvements was sent to WMATA the week of 8/1/05.</p>	Aug 8 '05

July 12 '05	SH	Share the potential designs for the West End gateway signs with the Mayor & Council	DPW/ L. Marcus	Staff will start work on the West End gateway signs in Sept or October of this year. They will begin by compiling a broad array of potential designs to share with the community in order to identify the best type of sign. Staff will keep the Mayor & Council informed of the progress and share the potential designs.	July 12 '05	
April 25 '05	SU	Track the resolution of drainage issues at the Thirty Oaks property	DPW/ J. Scabis	529 Brent Rd. - The homebuilder re-graded the area around 529 Brent Road in January. Some minor ponding was reported in late May by lot 12 of Thirty Oaks. An additional water ponding complaint from 529 Brent Road was reported in June. The Chief of Contract Management responded in writing on 7/8/05. Contract management staff will ensure that the small area is re-graded to eliminate the ponding water. Lots 3, 4, 5 and 6 - City received final engineering plans on 5/9/05. City approved the connection of the private system to our public system. Received verbal confirmation that all the lots agree on the plan. Will obtain final written approval from all four lot owners after the work is complete. All grading work and storm drain work complete as of 6-14-05. All work is now complete. Calvert Rd. Homebuilder and developer have agreed to install a storm system on Lots 8, 9 and 10. The proposed drainage system will tie into a public storm drain system located on Tall Grass Court. Portions of the system will be privately maintained and the City will maintain portions. Detailed engineering plans for the proposed storm drain system were received on 5/19/05 and revised plans were received on 7/21/05. A copy of the plans was mailed to the affected residents on Calvert Road on 7/26/05. Staff has spoken with all three residents on Calvert Road and they concur that the proposed plan is acceptable. Staff is waiting on easement documents from the homebuilder in order to finalize all City approvals.	Aug 23 '05	
July 25 '05	IG	Consider potential improvements to the merge area at MD 28 and Adclare Road	DPW/ L. Marcus	Staff completed two design options for a physical barrier between the turn lane onto Adclare Rd and the through lane at MD 28. They were submitted to SHIA for approval. SHIA proposed an alternative solution to add a vehicle refuge for cars turning left out of Adclare onto MD 28. The design work is complete and construction will occur this fall.	July 25 '05

Jan. 10 '05	M&C	Examine the ownership issues on Johnson Drive	CPDS/ M. Hall	The owner obtained a legal opinion that concludes that this property has the same access to Johnson Drive as the other properties on Johnson, so the plat has been altered to divide the lot in two, without a pipestem lot. On 7/27/05, the Planning Commission granted a waiver from the public street frontage requirement and approved the record plat.	Aug 3 '05	Aug 3 '05
Aug 11 '05	LG	Research ways to limit the number of newspaper boxed placed on streets in the redeveloped Town Center	TC Steer. Cmtee/ CMO/City Attorney	<p>The Rockville Town Center Design Guidelines, approved by the Mayor & Council on 8/4/03, includes provisions for newspaper racks. The Streetscape Elements portion of the Guidelines indicates that newspaper racks:</p> <ul style="list-style-type: none"> • Should be grouped together as much as possible and be placed at busier pedestrian nodes or gathering places • Should be designed and placed appropriately to provide a service to the public • Should not obstruct views for vehicles, sidewalks for pedestrians, or signs and displays for businesses • Should blend in with the surroundings. <p>FRTT and Whiting-Turner know these Design Guideline provisions. While they have not yet selected a particular model for newspaper racks, they are aware of the Mayor & Council's concerns.</p>	Aug 31 '05	Aug 31 '05

SUBJECT: E. Montgomery Avenue Traffic Pattern Change Update

On August 1, 2005 at 0300 hrs the traffic pattern on E. Montgomery Avenue between Maryland Avenue and Monroe Street was changed from a two way street to a one-way street. The one-way traffic is designed to have two lanes for vehicles to travel eastbound. Appropriate "Oneway" and "Do Not Enter" signs were erected, and all parking signs on the north side of the street were turned to face SW.

Initially a barrier with a "Do Not Enter" sign was placed in the WB lane of E. Montgomery at the intersection of Monroe Street, to prohibit vehicles from turning WB onto E. Montgomery. Later, the barrier was replaced with a portable stop sign with directional arrows and placed in the center of E. Montgomery Avenue, to alert drivers to the proper lanes for turning left or right. A "Do Not Enter" sign is also placed to the rear of the stop sign to alert drivers not to enter onto the one-way street. The City Transportation Office was notified of this minor modification.

The Police Traffic Unit monitored the traffic pattern change from 1-6 August, between the hours of 0700 and 1800 respectively. The Town Center Patrol Officer monitored the traffic pattern on 5-6 August (Friday and Saturday) between 1700 to 0100 hours. There were minimal violations to the street signage/traffic pattern during this week. Citizens were allowed to briefly drop-off and pick-up packages/passengers. There was no disruption to the traffic flow as vehicles smoothly changed lanes to pass standing vehicles.

Conversations with the business owners/agents from Tara Thai, California Tortilla, Moto Photo, Potbellys, Giuseppe's, and Regal Cinemas on E. Montgomery in reference to the pattern change were positive. The traffic flow over the past week has been continuous and uninterrupted; where no congestion was observed and vehicles smoothly entered and exited E. Montgomery Avenue. None of the business owners mentioned any issues relating to the pattern change and advised the pattern appears to be working effectively. Scott Wathne owner of California Tortilla expressed he was very pleased with the results of the traffic change over the past week and inquired to the procedure for allowing a curbside service. His vision was of take-out orders being called in and his employees delivering the packages to customers as they arrived.

This issues I observed were of vehicles entering onto the one-way street of E. Montgomery from Maryland Avenue and not noticing the one-way sign. The drivers then would either make a U-Turn to park in the WB direction or park in the EB direction and make a U-turn and travel WB to exit E. Montgomery Street. This action has been minimal, and should discontinue as travelers become aware of the traffic change. Review of the City of Rockville Parking Statutes discovers there is no statute for parking a vehicle in the wrong direction on a one-way street.

Recommend maintaining the portable stop sign on E. Montgomery Avenue at Monroe Street, and continue to monitor the traffic pattern in a "Check On Patrol" status. I have updated City Traffic Engineer Emad Elshafei, on the current traffic pattern change and recommended having a statute to reflect the violation of parking in the wrong direction on a one-way street.

I will continue to monitor and update the changes in the traffic pattern until the end of the 60 day trial period.

SUBJECT: East Montgomery Ave. Traffic Pattern

On August 1, at 0700hrs we relieved the midnight shift and patrolled East Montgomery Avenue. The assignment was to provide coverage for the new one-way street, and ensure proper traffic flow, from 0700 – 1500hrs for the entire week. After being on post for 30 minutes, we discovered the following concerns:

- Motorist were not observing the One-Way & Do Not Enter signs at E. Montgomery Ave @ Monroe Street
- Motorist were making U-turns on East Montgomery Avenue to exit out to Maryland Avenue or to park westbound on East Montgomery Avenue.

To resolve these concerns, we used barricades with a Do Not Enter Sign to block off half of East Montgomery Avenue @ Monroe Street. This was a temporary fix for two days.

We positioned the detailed Officer in the middle of the street (near Regal) to advise motorist, making U-turn or attempting to go out the wrong way.

After three days of observation, we made additional changes. We placed a stop sign in the middle of the street, at East Montgomery Avenue @ Monroe Street. The stop sign was for traffic on East Montgomery Avenue; on the opposite side of the stop sign, was a Do Not Enter Sign for traffic on Monroe Street. This was an additional safety measure to alert motorist of the traffic change. However, some motorist doesn't look at signs and entered East Montgomery Avenue and had to be redirected back toward Monroe Street.

We also placed a right turn and left turn sign on the bottom of the stop sign, to assist motorist in identifying that they can use both lanes for a turn onto Monroe Street.

Page 2
August 10, 2005

On Thursday, August 4, at noon after the traffic appeared to be controlling itself, we left the post and let the traffic control devices handle the street. There still needs to be some signage at the Maryland Avenue side of East Montgomery Avenue, informing motorists you can't exit onto Maryland Avenue or You're Going The Wrong Way.

During the week, we wrote twenty (20) warnings for vehicle parking the wrong way on a one-way street, and gave twelve (12) verbal warnings for the Do Not Enter Sign.

I had Cpl Merritt speak with all the business owners to get their feedback on the new traffic pattern and any concerns if any.

The newest concern is enforcement. After reviewing the Laws of Rockville, Chapter 23 Traffic, there needs to be an article/section in the city code that would give the Police or Parking Enforcement Officer the ability to write a parking ticket for parking the wrong way on a one-way street. I ask Cpl Merritt to research this concern.

MEMORANDUM

August 6, 2005

TO: Michael England, Police Captain
FROM: Ron Merritt, Police Corporal
VIA: James Main, Police Lieutenant
VIA: Alan Rawlins, Police Sergeant

SUBJECT: Weekly Activity Report August 2 – August 6, 2005

1. Monitored properties in King Farm and Rockville Town Center business areas. Began meeting business representative along North Washington Street. Updated database of business locations and points of contact (See attached spreadsheet).
2. August 2-6, monitored new traffic direction on E. Montgomery Avenue (see E. Montgomery Avenue Traffic Pattern Change Update Memo).
3. August 2, escorted City Council Member John Hall to block parties in support of National Night Out.

Areas and Trends of Concern

1. No concerns from the business representatives of the King Farm area were brought to my attention.
2. Patrolled North Washington street business areas due to previous complaints of loiterers. Discovered a group of 9 loiterers in front of CVS at 2100 hrs on 6 August. Several people in this group were familiar as loiterers moved from the fountain area of Courthouse Square. I spoke with the manager who advised the subjects came into the CVS and walked around for a while, and were asked to leave as the CVS was closing. The subjects then began to linger outside of the store until my arrival. I will continue to monitor this area during the evening hours.

TO: Michael England, Police Captain

FROM: Ron Merritt, Police Corporal

VIA: James Main, Police Lieutenant

VIA: Alan Rawlins, Police Sergeant

SUBJECT: Weekly Activity Report August 8 – August 11, 2005

1. Monitored properties in King Farm and Rockville Town Center business areas. Began meeting business representative along North Washington Street. Updated database of business locations and points of contact (See attached spreadsheet).
2. Continued to monitor traffic direction on E. Montgomery Avenue.
3. 10 Aug 2005, while on normal patrol, Property Manager of 701, 702, and 703 King Farm Blvd., introduced himself to me. He advised there are excessive violations at the stop signs around the three large businesses. The property manager advised he would like the stop signs monitored for violations. I advised him I would have to ensure the buildings were included in the enforcement memorandum between King Farm and the City. After observing the property where he advised of the violations. All stop signs were located on the private property of the locations leading out to King Farm Blvd, or stop signs had yet to be erected at the intersections where construction is being conducted.
4. August 10, attended Victoria community meeting at red brick courthouse. Areas of concern were the 2nd floor landing on Courthouse square, where trespassers were gaining access to the stairwell after hours and sleeping on the landing; people hanging out in the Metro Bridge causing anxiety to those passing thru the bridge tunnel; young people in the park at Courthouse Square.

5. Aug 10, spoke with resident of American Center who expressed concern of drinkers and vagrants loitering in the evenings at the abandoned 50 Monroe Street building. I have begun to patrol this area on a regular basis.
6. Met with Magnolia Baez, On-Site Property Manager for The Victoria, and was escorted to complaint areas from 10 August Neighbor Meeting.

Areas and Trends of Concern

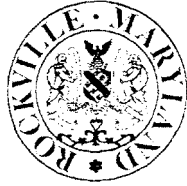

1. No concerns from the business representatives of the King Farm area were brought to my attention.
2. Patrolled North Washington street business areas due to previous complaints of loiterers. Discovered a group of 9 loiterers in front of CVS at 2100 hrs on 6 August. SUBJECT: Weekly Activity Report August 15 – 20 August 2005

1. 15 – 19 August, monitored properties in King Farm and Rockville Town Center business areas, to include Rockville Metro station/bridge, 50 Monroe Street, and Victoria business and Condominium areas. I have begun to patrol these areas on a regular basis.
2. Continued to monitor traffic direction on E. Montgomery Avenue.
3. 15 August, spoke with report from the Gazette on duties of Town Center/Bicycle Patrol Officer.
4. 16 August, completed Command Bus Training instructed by CPL Crawford.
5. 17 August, discovered Pedal Assisted Bicycle battery charger broken and damaged on floor of the sally port (see attached photo). The battery charger is damaged beyond repair and must be replaced. I will contact Bonnie Speight and obtain manufacturers information for a replacement battery.
6. 17 August, observed several subjects 3 black males, 3 black females, and 1 white male with his hair in corn rows playing cards at a picnic table located on the upper level of Metro Square on the Monroe Street side. The subjects were positioned in the outside vacant landing behind the Gym at the entrance to the Metro bridge. The Tactical Patrol

unit, which was working the nearby area, were notified of the suspicious activity, and attempted to set up on the subjects. The subjects began departing as the Tactical Patrol Units arrived, although unit members were able to observe several of the subjects prior to their departure from the area.

7. 18 August, I was informed by CPL Marshall, that one of the subjects he observed leaving from the Metro Square area, Dana Lee Andrews, was arrested by CPL Nieberding. CPL Nieberding arrested Andrews for possession of CDS – 4 ecstasy pills at park road and N. Horners Lane. I observed the picture of Andrews and also confirmed he was one of the subjects seated at the picnic table on 17 August.

8. 19 August – annual leave.

Areas and Trends of Concern

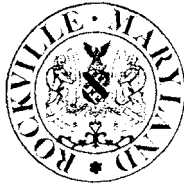

1. No concerns from the business representatives of the King Farm area were brought to my attention.
2. Young adults continue to congregate at the corner of Maryland Avenue and Courthouse Square after dark. There are no signs posted that the park is closed after dark, therefore, those who are unfamiliar with the area are unaware of the parks closed status. I will work with parks and recreation section to have the standard park closed and no alcohol sign posted.

August 22, 2005

TO: T. N. Treschuk, Chief of Police 

FROM: C. L. Holzberger, Field Services Bureau Commander 

SUBJECT: E. Montgomery Ave One-Way Street Operations

This report is based upon personal observations during the week of August 15 – 19, 2005, the observations of Team 3 on August 19 – 21, 2005, and the observations of the Regal Officer on August 19 – 21, 2005.

As a whole the one-way street operation is viewed as a very positive improvement with little or no problem. The flow of traffic through the Regal area is smooth and uninterrupted. The only problems observed have been a few cars turning around in mid-block. The observations of the officers, including myself, that have stopped these cars is that the driver has either been seeking to get to a parking space that he/she just passed; or in one case last week, the driver was attempting to get back to I-270 and did not know any other way. In these cases, the individual drivers stated that they did not see the one-way signs at the Maryland and E. Montgomery Avenue.

In looking at the signs at Maryland and E. Montgomery Avenue, the placement seems to be in need of adjustment. The sign on the south side of the intersection is back from the intersection and not readily apparent to most drivers. In addition, every officer has recommended additional signage in the middle of the block and that a permanent sign and stanchion be erected at the intersection of E. Montgomery Avenue and Monroe, if the one-way operation is made permanent.

August 26, 2005

TO: T.N. Treschuk, Chief of Police

FROM: Ron Merritt, Police Corporal

VIA: Michael England, Police Captain

VIA: James Main, Police Lieutenant

VIA: Alan Rawlins, Police Sergeant

SUBJECT: Weekly Activity Report August 23 – 26 August 2005

1. 23 – 26 August, monitored properties in King Farm and Rockville Town Center business areas, to include Rockville Metro station/bridge, 50 Monroe Street, and Victoria business and Condominium areas. Continued to monitor traffic direction on E. Montgomery Avenue.
2. 23 August, transferred patrol vehicles. Stock 150-PPV, was exchanged for PPV -- Stock 149. Stock 149 is not equipped with an MDT mount or MDT. Stock 149 also requires additional emergency vehicle lighting on front dash. These areas of concern were brought to the attention of CPL Paul and CPT Holzberger who are following up on the noted equipment matters. SGT Rawlins has also advised that side lights should be mounted on the side of stock 149, due to inability to identify stock 149 as an emergency vehicle when observing it from the side.
3. 23 August, obtained short sleeve and long sleeve polo bicycle shirts from galls to be presented to the uniform committee for wear as an additional summer and winter bicycle and/or tactical patrol uniform. Currently awaiting uniform insignia to be sewn on shirts.
4. 24 August, met with Mr. Cliff Grimes, the property manager of Rockville Center, 255 Rockville Pike, 301-251-4146. Introduced myself and discussed my duties within the town center area. I addressed concerns from the community of loiterers at entrance to the

metro bridge, and my observations of people hanging out at the picnic table in the area. Mr. Grimes advised we have his full support in enforcing any violations on the property and advised authorization already exists in writing with the city, he also advised he would remove the table. Mr. Grimes advised of issues he's been having over the weekend with broken bottles and trespassers in the P3 parking garage. I advised I would begin monitoring the metro garage while on patrol.

5. 25 August, assisted Team 6 with a funeral detail from St. Mary's Church to the Gates of Heaven in Silver Spring.
6. 26 August, spoke with all the commercial businesses located in the King Farm Town Center area, in reference to a strong-arm robbery (R05045899), that occurred on 25 August at 2220 hrs. None of the businesses were aware of the incident. I provided safety information and tips to the businesses. I am also attempting to locate a venue to bring the businesses together for a safety talk and attempt to begin a Business Watch. I have begun providing more presence in the evening in the King Farm business area.

Areas and Trends of Concern

1. The robbery has the business representatives of the King Farm area concerned, but they are now aware that the area is not immune to criminal activity, and have begun taking precautions.
2. Received an additional complaint from resident of Victoria that the personnel who hang at the park at Maryland Avenue and Courthouse Square, move to the sidewalk in front of 32 Courthouse Square after the park closes at dark.

Dear Chief Treschuk:

The Awards Subcommittee of the Maryland Community Crime Prevention Institute met recently to review the nominations submitted from throughout the State for the 2005 Governor's Crime Prevention Awards. After an intensive screening process, the Subcommittee selected the departments, individuals, and programs that met the criteria for recognition by the Governor.

Enclosed is a complete listing of the Subcommittee's selections. Questions concerning the selection process should be addressed to the Co-Chairs of the Awards Subcommittee, Sgt. James Cifala, Anne Arundel County Police Department, 410-222-0041 or Officer Joseph Kundrat, Frederick Police Department, 301-624-1236.

We are most pleased to inform you that your agency will be receiving a departmental award under Category A.

The 26th Annual Governor's Crime Prevention Awards Ceremony will be held in the fall. As soon as details are finalized on date, time, and location, we will contact the award recipients.

I join the Maryland Community Crime Prevention Institute in extending sincere congratulations to you for your outstanding efforts in the area of crime prevention.

Thank you for your continued interest and support.

Sincerely,

Mr. Scott Ullery
City Manager
111 Maryland Avenue
Rockville, MD 20850-2364

Dear Mr. Ullery:

This is a letter of commendation for the actions of one of your Contract Managers, Fred Williford. He is managing the Potomac Woods area street re-paving contract.

I talked with him some time ago when the work was first scheduled to try to coordinate several appointments I had in early August with the contractor's projected schedule. I had to drive in and out of my driveway several times during those days. People should not drive on the liquid asphalt at all, nor drive on the fresh asphalt soon after it has been placed - so it is important to know when the work will be done.

Fred gave me the schedule, which of course is subject to weather and other problems - such as the I-270 accident one morning which altered the contractor's timing for that day. He then followed up with me on his own initiative (including a phone call when the contractor had another unexpected delay) so that I would not be inconvenienced. He gave me a schedule (to the hour) of when the work would be done!! I made all of my appointments with no problems thanks to Fred's attentiveness.

As far as I am concerned, Fred is the proof of your success in making Rockville a "High Performance Organization." Please thank him for me for his help. He has done an excellent job for our community.

Sincerely yours,

Bob Goodin
